

# REVISED GEN ED for Fall 2019-Spring 2020

Date \_\_\_\_\_ Name \_\_\_\_\_

## CREDIT EVALUATION DETAILS

All traditional undergraduate students are required to take courses through the General Education Program **in addition to** courses specific to their major. Curriculum for General Education is split into two categories: Common Courses and Theme Courses.

| GENERAL EDUCATION   COMMON COURSES (10.5-15 CREDITS)   |                                |       |                                  |                             |                |       |
|--|--------------------------------|-------|----------------------------------|-----------------------------|----------------|-------|
| MARIAN COURSES   |                                |       |                                  | EVALUATION                  |                |       |
| Marian Course ID   | Marian Course Title            | CR    | Pre-Requisites                   | Equivalent Course Completed | Credits Earned | Grade |
| GEN 101  | First Year Seminar             | 3     | Required if less than 24 credits |                             |                |       |
| COM 115  | Interpersonal Communication    | 1.5   |                                  |                             |                |       |
| ENG 106  | English Composition            | 3     | ENG 105/Placement                |                             |                |       |
| PHI 105  | Intro to Ethical Reasoning     | 1.5   | GEN 101                          |                             |                |       |
| THE 101  | Intro to Christian Theology    | 3     | ENG 106                          |                             |                |       |
| *XXX   | Math Reasoning Varies by Major | 1.5-5 |                                  |                             |                |       |
| <b>*Majors with defined Math Reasoning courses:</b><br>Biology: MAT 111, 114, 122, 201, 202, 304    Data Science: MAT 304, 305, 334    Forensic Science: MAT 122 or 304    Psychology: PSY 210<br>Bio-Cyotechnology: MAT 122    Diagnostic Medical Sonography: MAT 114    Homeland Security: PSY 210    Radiologic Technology: MAT 114<br>Chemistry: MAT 201    Education: MAT 100    Mathematics: MAT 201    Social Work: PSY 210<br>Criminal Justice: PSY 210    Exercise Sport Science: MAT 114    Nursing: MAT 111 |                                |       |                                  |                             |                |       |

\*ENG106, PHI105, and THE101 are Writing Intensive Courses

Cognate courses in majors can apply to areas of reasoning in the general education program if they are listed below. Major courses cannot apply to both an area of reasoning and a major curriculum. An additional reasoning course must be taken if a major course is also a reasoning course. Students will take at least 1.5 credits in each area of reasoning; *Creative, Humanistic, Scientific, Social Scientific, and Theological.*

| GENERAL EDUCATION   AREAS OF REASONING COURSES (18 CREDITS) |                     |          |       |         |        |          |  |                |       |
|---|---------------------|----------|-------|---------|--------|----------|--|----------------|-------|
| MARIAN COURSES  |                     |          |       |         |        | Notes    |  |                |       |
| Marian Course ID  | Marian Course Title | Creative | Human | Science | Social | Theology |  | Credits Earned | Grade |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
|   |                     |          |       |         |        |          |  |                |       |
