

WORTHY WOMEN'S SCHOLARSHIP

2019 Edition

Helping women reinvent themselves at any stage in life is one of the things we take the most pride in. We want to take this idea further with our Worthy Women's Scholarship. The scholarship, now in its fourth year, is intended for women who have decided to enroll in school to pursue their passions and open up more doors for themselves and others. Over the years, we have helped nine worthy women make their dreams of returning to school a reality and continue to support women as they pursue their academic careers and onward.
