The EXCEL Program is a one-year program designed for students entering their first year of college – to provide support and encouragement in their transition to the college experience. Admission to Marian University is based on the premise that you will abide by EXCEL Program requirements which have been established to ensure program completion and success at the University.

As an EXCEL student, I understand and agree to:

- Attend regular meetings with an EXCEL Program academic advisor.
- Attend the EXCEL Bridge Program – See below for more details.*
- Participate in required EXCEL workshops, classes and programming.
- Remain in good academic standing at Marian University as outlined in the Academic Catalog.
- Make progress toward being in compliance for good academic standing. Progress will be reviewed each semester, and students not meeting expected outcomes may be academically suspended at the end of the first semester. See Academic Catalog pertaining to continued enrollment criteria.
- Register for a maximum 15 credits each semester. Exceptions must be approved by academic advisor.
- Obtain permission from academic advisor for any schedule changes to include: adding, dropping, or requesting an Incomplete in a course.
- Review all Academic Status Reports and Mid-Term Reports with academic advisor.
- Retake any failed course in the next possible semester.
- Participate in required academic services by meeting with instructors, tutors, learning specialists, and/or study groups.
- Abide by the attendance policies of instructors. Regular attendance is required.

My signature below indicates I agree to meet all requirements as stated above. I understand that failure to meet the requirements may result in my dismissal from Marian University.
