Re: Green Bay Area P.E.O. Reciprocity Scholarship 2024-2025 Application

The Greater Green Bay P.E.O. Chapters have announced the availability of scholarships for Brown County women. Qualified applicants are high school graduates, have had their education interrupted, and have re-entered or wish to re-enter a post-secondary institution. The scholarships will range up to \$7,000 and are need based. The funds will be awarded according to financial and educational information requested in the application. Last year, approximately \$42,000 was awarded to women in Brown County to further their education.

The scholarship application can be accessed with the links below.

1. <http://tinyurl.com/mrx8wbh8> (Word Document - type into gray boxes. I encourage the use of this one to make things cleaner to read.)
2. <http://tinyurl.com/29uapz9v> (PDF Document - print this off and handwrite on it.)

The application may also be found at the school's financial aid office/website or by requesting a copy from Stephanie Juckem at [gbareareciprocitiescholarship@gmail.com](mailto:gbareareciprocitiescholarship@gmail.com). Completed applications must be postmarked no later than April 01, 2024.

Funds for these grants are made possible from the proceeds of the annual P.E.O. Gallerie of Shoppes held this past November.
