2025 MCU Member Scholarship and application link/QR code

Marine Credit Union (MCU) takes pride in our long tradition of assisting members with financial needs in the pursuit of higher education. We believe strongly in giving back to our members and the communities we serve. We offer **nine (9) - \$1,000** scholarships that we award to well-deserving, hardworking students (1) graduating from high school with the class of 2025 or (2) matriculating college students continuing their studies during the academic year 2024-2025.

To be eligible for one of these scholarships, the applicant must be an MCU member, or the child of an MCU member, and must plan to enroll for the next academic year as a full-time student as determined by the school, college, or university. MCU pays the scholarship award directly to each recipient's college or university based on the academic schedule and can be used for tuition, fees, and other educational expenses.

The electronic scholarship application explains in greater detail the eligibility requirements and the application process.

Students are invited to complete application forms electronically at:

<https://apply.mykaleidoscope.com/program/MCUMemberScholarship2025>

or via QR code:

Please direct any questions, comments or requests for additional information to:
